

APPENDIX 1: 8-DIGIT SIC CODES COMPRISING THE GREEN ECONOMY

SIC8	SIC8DESC	GRSECTOR
1810103	Mats, preseeded: soil erosion, growing of	Green building
8510102	Reforestation services	Environmental services
13110201	Coal gasification	Energy research and services
13110203	Coal pyrolysis	Energy research and services
16290505	Waste water and sewage treatment plant construction	Recycling/remediation
17110403	Solar energy contractor	Green building
17310101	Cogeneration specialization	Energy research and services
17310202	Energy management controls	Green building
17310203	Environmental system control installation	Green building
17420203	Insulation, buildings	Green building
17420204	Solar reflecting insulation film	Green building
17819901	Geothermal drilling	Energy research and services
17969906	Pollution control equipment installation	Green building
17990208	Insulation of pipes and boilers	Green building
17990210	Weather stripping	Green building
17990800	Decontamination services	Recycling/remediation
17990801	Asbestos removal and encapsulation	Recycling/remediation
24930400	Insulation and roofing material, reconstituted wood	Green manufacturing
28210401	Carbohydrate plastics	Green manufacturing
28210407	Soybean plastics	Green manufacturing
28690104	Ethyl alcohol, ethanol	Green manufacturing
28739901	Fertilizers: natural (organic), except compost	Green manufacturing
28759901	Compost	Green manufacturing
28999913	Desalter kits, sea water	Green manufacturing
28999928	Insulating compounds	Green building
28999948	Water treating compounds	Green manufacturing
32110302	Insulating glass, sealed units	Green manufacturing
32310401	Insulating glass: made from purchased glass	Green manufacturing
34339904	Solar heaters and collectors	Green manufacturing
34430304	Economizers (boilers)	Green manufacturing
35110207	Wheels, water	Green manufacturing
35239906	Windmills for pumping water, agricultural	Green manufacturing
35590403	Desalination equipment	Green manufacturing
35599937	Recycling machinery	Green manufacturing
35640101	Air cleaning systems	Green manufacturing
35640102	Air purification equipment	Green manufacturing
35890300	Sewage and water treatment equipment	Green manufacturing
35890301	Sewage treatment equipment	Green manufacturing
35890302	Sewer cleaning equipment, power	Green manufacturing
35890304	Water filters and softeners, household type	Green manufacturing
35890305	Water purification equipment, household type	Green manufacturing

35890306	Water treatment equipment, industrial	Green manufacturing
35899901	Asbestos removal equipment	Green manufacturing
35999919	Water leak detectors	Green manufacturing
36130210	Regulators, power	Green manufacturing
36210116	Storage battery chargers, motor and engine generator type	Green manufacturing
36219909	Windmills, electric generating	Green manufacturing
36290101	Battery chargers, rectifying or nonrotating	Green manufacturing
36290102	Electrochemical generators (fuel cells)	Green manufacturing
36290107	Thermo-electric generators	Green manufacturing
36410106	Lamps, fluorescent, electric	Green manufacturing
36459905	Fluorescent lighting fixtures, residential	Green manufacturing
36469904	Fluorescent lighting fixtures, commercial	Green manufacturing
36740305	Photovoltaic devices, solid state (core)	Green manufacturing
36740306	Solar cells	Green manufacturing
36749901	Fuel cells, solid state	Green manufacturing
36919902	Batteries, rechargeable	Green manufacturing
36940100	Battery charging alternators and generators	Green manufacturing
36940102	Battery charging generators, automobile and aircraft	Green manufacturing
37110104	Cars, electric, assembly of	Green manufacturing
38220000	Environmental controls	Green manufacturing
38220206	Temperature controls, automatic	Green manufacturing
38220300	Thermostats and other environmental sensors	Green manufacturing
38220301	Built-in thermostats, filled system and bimetal types	Green manufacturing
38220303	Refrigeration thermostats	Green manufacturing
38220304	Temperature sensors for motor windings	Green manufacturing
38220305	Thermocouples, vacuum: glass	Green manufacturing
38220306	Thermostats, except built-in	Green manufacturing
38229900	Environmental controls, nec	Green manufacturing
38229901	Building services monitoring controls, automatic	Green manufacturing
38229904	Electric air cleaner controls, automatic	Green manufacturing
38229905	Energy cutoff controls, residential or commercial types	Green manufacturing
38229912	Limit controls, residential and commercial heating types	Green manufacturing
38229917	Water heater controls	Green manufacturing
38230506	Water quality monitoring and control systems	Green manufacturing
38240114	Totalizing meters, consumption registering	Green manufacturing
38240117	Water meters	Green manufacturing
38250303	Current measuring equipment, nec	Green manufacturing
38250304	Demand meters, electric	Green manufacturing
38250305	Electrical power measuring equipment	Green manufacturing
38250306	Energy measuring equipment, electrical	Green manufacturing
38260700	Instruments measuring thermal properties	Green manufacturing
38269907	Environmental testing equipment	Green manufacturing
38290218	Solarimeters	Green manufacturing
38290701	Temperature sensors, except industrial process and aircraft	Green manufacturing
38290702	Thermocouples	Green manufacturing
40119901	Electric railroads	Green transportation
40119902	Interurban railways	Green transportation
40139904	Railroad terminals	Green transportation

41110000	Local and suburban transit	Green transportation
41110100	Bus transportation	Green transportation
41110101	Bus line operations	Green transportation
41110102	Commuter bus operation	Green transportation
41110200	Street and trolley car transportation	Green transportation
41110201	Streetcar operation	Green transportation
41110202	Trolley operation	Green transportation
41110400	Passenger rail transportation	Green transportation
41110401	Commuter rail passenger operation	Green transportation
41110402	Local railway passenger operation	Green transportation
41110403	Subway operation	Green transportation
41119900	Local and suburban transit, nec	Green transportation
41119901	Cable cars, except aerial, amusement, and scenic	Green transportation
41119902	Elevated railway operation	Green transportation
41119903	Monorails, regular route: except amusement and scenic	Green transportation
41190000	Local passenger transportation, nec	Green transportation
41199900	Local passenger transportation, nec, nec	Green transportation
41199906	Vanpool operation	Green transportation
41310000	Intercity and rural bus transportation	Green transportation
41319900	Intercity and rural bus transportation, nec	Green transportation
41319901	Intercity bus line	Green transportation
41319902	Intercity highway transport, special service	Green transportation
41319903	Interstate bus line	Green transportation
41730000	Bus terminal and service facilities	Green transportation
41739901	Bus terminal operation	Green transportation
42159901	Bicycle delivery service	Green transportation
44890000	Water passenger transportation	Green transportation
44899900	Water passenger transportation, nec, nec	Green transportation
47290102	Bus ticket offices	Green transportation
47299901	Carpool/vanpool arrangement	Green transportation
47890200	Passenger train services	Green transportation
47890400	Railroad maintenance and repair services	Green transportation
49119908	Hydro electric power generation	Energy research and services
49520000	Sewerage systems	Recycling/remediation
49530102	Chemical detoxification	Recycling/remediation
49539905	Recycling, waste materials	Recycling/remediation
49539907	Sewage treatment facility	Recycling/remediation
49590300	Toxic or hazardous waste cleanup	Recycling/remediation
49590301	Oil spill cleanup	Recycling/remediation
49590302	Environmental cleanup services	Recycling/remediation
50120202	Busses	Green transportation
50120402	Motor scooters	Green transportation
50330200	Insulation materials	Green building
50330201	Fiberglass building materials	Green building
50330202	Insulation, thermal	Green building
50330203	Mineral wool insulation materials	Green building
50399912	Soil erosion control fabrics	Environmental services
50740102	Water purification equipment	Environmental services
50740200	Heating equipment (hydronic)	Green building
50740208	Heating equipment and panels, solar	Green building

50750103	Air pollution control equipment and supplies	Environmental services
50750205	Thermostats	Energy research and services
50840704	Meters, consumption registering	Environmental services
50840705	Noise control equipment	Environmental services
50840706	Pollution control equipment, air (environmental)	Environmental services
50840707	Pollution control equipment, water (environmental)	Environmental services
50849914	Recycling machinery and equipment	Recycling/remediation
50930000	Scrap and waste materials	Recycling/remediation
50930100	Waste paper and cloth materials	Recycling/remediation
50930101	Bag reclaiming	Recycling/remediation
50930102	Boxes, waste	Recycling/remediation
50930103	Fur cuttings and scraps	Recycling/remediation
50930104	Textile waste	Recycling/remediation
50930105	Waste paper	Recycling/remediation
50930106	Waste rags	Recycling/remediation
50930200	Metal scrap and waste materials	Recycling/remediation
50930201	Ferrous metal scrap and waste	Recycling/remediation
50930202	Nonferrous metals scrap	Recycling/remediation
50930203	Wire and cable scrap	Recycling/remediation
50939901	Automotive wrecking for scrap	Recycling/remediation
50939902	Barrels and drums	Recycling/remediation
50939903	Bottles, waste	Recycling/remediation
50939904	Junk and scrap	Recycling/remediation
50939905	Oil, waste	Recycling/remediation
50939906	Plastics scrap	Recycling/remediation
50939907	Rubber scrap	Recycling/remediation
50939908	Scavengering	Recycling/remediation
50939909	Lumber scrap	Recycling/remediation
52110300	Insulation and energy conservation products	Green building
52110301	Energy conservation products	Energy research and services
52110302	Building insulation products	Green building
52110303	Solar heating equipment	Green building
73890201	Air pollution measuring service	Environmental services
73899931	Meter readers, remote	Energy research and services
73899963	Bicycle assembly service	Green transportation
76990304	Thermostat repair	Energy research and services
76990901	Bicycle repair shop	Green transportation
81110208	Environmental law	Environmental services
86419903	Environmental protection organization	Environmental services
87110101	Pollution control engineering	Environmental services
87110403	Heating and ventilation engineering	Energy research and services
87119906	Energy conservation engineering	Energy research and services
87310300	Natural resource research	Environmental services
87310301	Energy research	Energy research and services
87310302	Environmental research	Environmental services
87340300	Pollution testing	Environmental services
87340301	Hazardous waste testing	Environmental services
87349909	Soil analysis	Environmental services
87349911	Water testing laboratory	Environmental services
87449904	Environmental remediation	Environmental services

87480200 Urban planning and consulting services
87480201 City planning
87489904 Energy conservation consultant
87489905 Environmental consultant
89990703 Natural resource preservation service
